Christine Hodgson has over 25 years of international senior-leadership experience across multiple sectors including technology, software and computer systems, financial services, government and education industries. She offers extensive Board and governance experience as well as a deep understanding of business, finance and technology leadership.

Christine is Chair of Severn Trent plc, Chair of Newton Europe consultancy, Chair of Council and Senior Pro-Chancellor for Loughborough University and an Adviser to the Spencer Stuart partnership.

During Christine's tenure at Capgemini, a global leader in consulting, digital transformation technology and engineering services, she has held a variety of roles, including CFO for the UK, CFO for the Global Outsourcing business and CEO of Technology Services North-West Europe.

Christine was the first female Executive Committee member of the Capgemini Group. She was also Chief Corporate Social Responsibility Officer and a member of the Group Executive Committee of Capgemini SE. In 2020, Christine was awarded a CBE for Services to Education and an Honorary Degree from Loughborough University in 2019.
