

Helen works closely with the Chief Operating Officer on initiatives that support the business strategy and help improve the working operations of the business. She also ensures a cohesive visual identity is maintained by designing and creating materials for all internal and external communications as well as overseeing all event logistics.

Helen joined Merryck in 2016. Prior to joining Merryck, Helen lived in Turkey and Vietnam working as an English Teacher before returning to the UK where she worked as a Personal Assistant in the education sector. She has a degree in English Literature and Creative Writing from the University of Wales, Aberystwyth.

Helen has two young children who keep her on her toes and when she gets the chance she enjoys painting, practising yoga, reading and sculpting. She is also a keen swimmer and takes part in long distance open water swimming events.
